Moving Lone Rock Forward.

2nd Meeting Interim Board: 7:05 PM Lone Rock Community Hall by invitation only.

Present: Glen Dow
Jill Parton
Ron Clark
Candace Blaine
Gene Sinfield
John Sebree

Regrets: Carole Selby

Agenda:

1. Removal of existing OHB & Notice to Lone Rock residents.
2. Lone Rock Future Development
3. Lone Rock Services – street lights, garbage, sewer
4. How to move Lone Rock Forward.
5. Next meeting and adjourn.

1. Parton discussed the removal of the board and discussed notifying residents with the Hamlet of Lone Rock. A draft notice will be generated and presented at next meeting. Discussion on how best to get factual information to the public.
2. Chair Dow, started the discussion on future development of land and the best use of lands within Lone Rock. Chair Dow is looking for input on future layout and future development within Hamlet. This will be discussed further at next meeting.
3. Chair Dow started the discussion on the existing services in Lone Rock. Lone Rock is currently receiving sewer, garbage & recycling pick up, street lights and street maintenance.
 - Board members recommend like to keep sewer as long as possible.
 - Board members recommend like to retain garbage services. Concerns were brought forward on cleanliness of hamlet if waste services are removed. E360 has concerns with only 8 active users of the garbage & recycling services.
 - Street lights –to remain as current
 - Street maintenance – hamlet will require graveling & grading this spring. Parton spoke of paving plans including a thin life overlay on RR3273 within hamlet.

Next Meeting April 04th, 2025 Lone Rock Hall.
