

Municipal Mower Operator

Endless Variety

Infinite Opportunity

Retired? Looking for a few months work to provide some extra spending money? The R.M. of Wilton No. 472 has over 600 miles of roadside ditches to maintain and is seeking an experienced Mower Operator to maintain Municipal roadside ditches as directed by the Mowing & Utility Manager. This is a seasonal job running June through September/October.

Highlights:

- ✓ Opportunity for professional development and advancement
- ✓ Competitive wages – match YOUR skills and experience to a Stepped salary grid
- ✓ 7a.m. – 5 p.m. shift (10 hours at Straight-time) Monday – Friday with attendance recognition
- ✓ Organization that values its staff with transparent communication, employee recognition and opportunity

We need someone to:

- Operate industrial and agricultural tractors equipped with specialized mowing equipment powered and operated by hydraulics or a power takeoff to cut grass on municipal roadside ditches
- Utilize hydraulic controls to raise and lower mower when required to avoid obstacles
- Carry out routine maintenance on equipment, including checking for worn or damaged parts and making adjustments when appropriate
- Pick up and remove debris from the cutting area
- Assist with other departmental tasks as assigned

You should have:

- Minimum 2 years experience with industrial and/or agricultural tractors
- Ability to work with minimal supervision
- Good health and physical condition
- Knowledge of municipal land descriptions is a definite asset
- Possess a safety conscientious awareness and attitude
- Must be team orientated, highly motivated and able to follow instructions whilst also able to work autonomously

Please submit application including Cover Letter indicating Salary expectations
